

Somerset ROSES

WHOLESALE LIST 1959-60

Somerset's new refrigerated storage building, where your roses are kept under perfect conditions of temperature and humidity to retain all their vigor.

Quality

Properly grown, carefully dug and graded.
Stored under ideal conditions to bring your roses
to you with the highest degree of viability.

Service

Storage under ideal conditions until you want
them, printed labels for each rose, growing
help and colored pictures at cost to help you sell.

Satisfaction

That you are supplying your customers the
best available.

Most of our climbing roses are grown here in New Brunswick and are usually available anytime after Oct. 15th. The bush roses are grown in the best growing regions on the West Coast. They usually arrive here late in December and January and are available after that time.
